Cell attacks Goku with a dazzling array of moves, the Destructo Disc, the Special Beam Cannon, even the Kamehameha Wave! But when Cell uses one of Frieza's techniques, King Kai becomes increasingly worried that if Cell can't beat Goku, he would do the same as Frieza and try to destroy the planet. So far, Goku has been able to match Cell blow for blow, but how will the Super Saiyan fare against such a lethal arsenal?

## **164. NO MORE RULES**

Cell is really fast. The place is rumbling. Vegeta's mad. Goku starts losing. Goku hits Cell. He gets hurt really bad. The camera's slow. Dende senses trouble. They put up a good fight. Cell blows up the ring. Now the whole desert is the ring. If Goku dies, he loses. They put so much power into the fight that big rocks break. King Kai acts silly. Goku powers up a huge Kamehameha. At first Krillin doesn't think Goku would be that crazy but once he notices its power he thinks Goku is crazy. Goku uses his Instant Transmission to get right in front of Cell. He makes a direct hit. Cell is lying on the ground without a head and arms.

## **165. THE FIGHT IS OVER**

But they soon find out Cell can regenerate himself. Goku and Cell's energy levels become lower, but they still continue to fight. They are almost equal as both continue to fight. Then, Goku starts being overpowered by Cell. They stop to rest and both realize their energy is running out, but Goku's is running out faster. Goku admits there needs to be a new hero and forfeits the fight.

## **166. FAITH IN A BOY**

Goku just ended the fight between him and Cell. Cell asks why he did it, and he says that he cannot win, but there is someone who can. Everyone wants to know who it is. Goku tells Gohan to come and fight Cell. Gohan does not want to fight. He thinks that Goku is stronger than him, and strong enough to beat Cell. Goku reminds his son about Gohan's hidden power. Gohan agrees to fight, but is still worried. Everyone watching thinks that Goku is crazy. They did not think about Gohan's hidden power, even Piccolo, who worked on releasing it ever since the fight with Raditz. Gohan began to fight Cell, and lost badly.

## **167. GOHAN'S DESPERATE PLEA**

The fight between Gohan and Cell starts but Cell tries to end the fight early by sending Gohan flying into a pile of rocks. All the witnesses think he is dead, except for Goku. People start blaming Goku for letting it happen, but he can still feel his energy and has no worries. Then, in a burst of energy and light, Gohan appears, without a scratch on him. He tells Cell of his secret power and if he were to unleash it, he could destroy him. But, Cell is not worried when he Gohan tells him this, because he wants to unleash Gohan's power and have a real fight. Cell begins attacking Gohan again but he fails to get him to show his power, as he is afraid of destroying Cell.

## **168. ANDROID EXPLOSION**

Android 16 watched as Gohan was slowly being defeated. Cell suddenly put the "squeeze" on Gohan. Gohan struggled but could not get out. He was going to be destroyed. He didn't want to kill anyone, even Cell, so he wouldn't power up. Cell let go of Gohan. At that moment, Android 16 came up behind Cell and gave him a taste of his own medicine. Now it was Cell that was being squeezed. Android 16 said he was going to detonate the explosive that was inside him. It was strong enough to destroy Cell, and everything around him. He tried to detonate the bomb, but nothing happened. Krillin said that Bulma and Dr. Briefs had taken it out, and told the story of it. When he was done, Cell destroyed 16. Gohan was angry, but his power was still not showing itself. Then, before he began to fight, Cell counted the Z Warriors and made that many mini duplicates of himself, that were just as strong. Gohan and Cell began to fight.

### **169. CHILDREN OF CELL ATTACK**

The Cell Jr's ferociously attack the Z-fighters, while Gohan looks on helplessly as his friends and family are beaten and battered. Gohan is too afraid to handle Cell on his own, and won't let his anger control him. Cell orders his miniature blue warriors to kill Gohan's friends, which just sends Gohan's power spiralling upwards, but it's still not enough. Meanwhile, Android 16 seeks the help of Hercule so that he can have one final word with Gohan. Hercule grants his wish and throws android 16's head towards Gohan. Gohan, stunned that he is still alive, listens to his final words, "Drop your restraints, and protect the life I loved." Afterwards, Cell crushes Android 16's head and it's too much for the young super Saiyan to bare, Gohan begins to power up, and even Cell looks worried.

### **170. THE UNLEASHING**

Just after Android 16 tells him to follow his instincts and not to suppress his feelings anymore Cell crushes the Android. This is the straw that broke the camel's back, so to speak. This pushes Gohan to the limit and finally Gohan shows his true self..... And with it the unleashing begins! This is where you really find out why Goku in previous episodes acted so calm because he was the only person to know the true ability of his son. Cell tells him to let go so he can see Gohan's true power and in the process underestimating how powerful he can become! Cell is holding a bag of senzu beans which Gohan snatches in the blink of an eye which leaves Cell guessing on how he did it. Gohan then goes on to defeat all of the Cell Juniors single handedly!

### **171. UNSTOPPABLE GOHAN**

After defeating the amazingly powerful Cell Jr's, Gohan moves on to a more terrifying opponent, Cell. Despite being in control of the fight before, Cell struggles to keep up with Gohan after his awakening of power. It soon becomes obvious to the Z-fighters that Gohan is in a league of his own, and that Cell is going to lose. The perfected Cell won't accept that Gohan is stronger, but his every attack has no effect on Gohan. Gohan punches Cell twice, significantly damaging him. Gohan seems to be in full control of the battle, but has he won the war?

### **172. CELL'S MIGHTY BREAK DOWN**

Cell uses every one of his stolen moves against Gohan, but none of them work, Gohan catches his Destructo Discs and deflects his special beam cannon as if it was a beach ball. Cell then uses his ultimate move, the Kamehameha wave, but Gohan sends a second wave straight back at him, causing a great deal of his body to disintegrate, but Cell quickly regenerates. Unable to beat Gohan at his present state, Cell bulks up his muscles, increasing his strength, but he has forgotten that this is the same mistake Trunks made, and though he may have the power to beat Gohan, he can't catch him. Gohan punches Cell, and he is violently sick, he coughs up the source of his power, Android 18.

### **173. A HERO'S FAREWELL**

After losing Android 18, Cell's body violently changes, into his previous, and less powerful form. Enraged at Gohan, Cell attacks him with all his might, but to his dismay, he can't land a finger on him. Gohan becomes incredibly overconfident, thinking there is no way the weakened tyrant can win, but, to Gohan's surprise Cell uses his last resort, self-destruction. It seems there is no way out for the Z-fighters, but at the last moment Goku nobly sacrifices himself to save his friends, and the Earth, from certain destruction. Transporting himself and Cell to King Kai's planet using his instant transmission technique, Goku foils Cells plan to blow up the Earth. It appears that once again the universe is safe, but no, Cell has survived, and the first man on his hit list, Trunks.

### **174. CELL RETURNS!**

Trunks is on the brink of death, and it seems it is too late to save the valiant, young warrior. Gohan challenges Cell once again, but due to the Saiyan blood in Cell, his power has increased since their last battle. Vegeta has had enough, he may have let Cell get away with everything thus far, but taking the life of his son is just too much for the Saiyan prince to handle, he attacks Cell with everything he has, but Cell proves he is far too powerful to be stopped now. Just as Cell is about to finish Vegeta off, Gohan launches himself in front of the attack, saving Vegeta, but rendering his left arm useless. The final round has now come about, Gohan and Cell are ready to fire their Kamehameha waves and finish the war between good and evil.

### **175. THE HORROR WON'T END**

After Cell's amazing, yet shocking return, he begins the fight with Gohan again. He is much stronger now, because of the Saiyan ability to gain power when recovered from a serious attack, and beats up Gohan. Cell gets very angry and says he will finish off everyone. He begins a Kamehameha attack, and tells the Z-fighters of how he is now complete without any flaws, he has achieved ultimate perfection. Gohan, only able to use his right arm, does nothing as he cannot defend himself against Cell anymore. Goku telepathically talks to Gohan, and talks him into using a Kamehameha attack with only his right arm. Gohan agrees, then begins to use all of his energy in a huge attack.

### 176. SAVING THE WORLD

Gohan and Cell are about to start the final battle of the cell games. Gohan can only use one hand, but that's all he needs. The two fighters unleash huge Kamehameha's and start the showdown. Goku helps his son, even though he is dead. He communicates to Gohan with King Kai's help. He knows that Gohan is holding back some of his power. "If you're still worried about the Earth, whatever damage you do to it can be repaired by the dragon balls!" Goku tells his son. Gohan unleashes more power. Cell, who is in his best health and stronger than ever (since he regenerated his whole body, which gave him more power), starts to gain the upper hand. Piccolo, who is nearby, wants to help Gohan. He separates from Yamcha, Tien, and Krillin and attacks Cell, but, it has no effect. Cell attacks Piccolo and he is knocked over and hurt badly. The others join Piccolo. Even with all of their attacks combined, Piccolo, Krillin, Yamcha, and Tien cannot help out Gohan, and have been defeated. Gohan, who is worried about his friends, starts to slip even more. Goku tells him that they will be fine and to concentrate. Gohan evens out the match. But, he is still not strong enough in his weakened state. But then, a powerful blast hit's Cell. But who attacked? Everyone looks up, including Cell, and they see Vegeta. Cell, distracted and injured, loses his control. Gohan takes this opportunity to unleash everything he can. Cell is destroyed, right down to the last cell. Everyone celebrates. Now, to Kame's tower, so they can make their wishes.

### 177. GOKU'S NOBLE DECISION

Gohan has just defeated Cell, and he, Yamcha, Piccolo, Krillin, Android 18, Trunks, and Tien return to Kame's Tower. Dende is there with all of the dragon balls, and the group is ready to make their wishes (because Dende recreated the Dragon balls and the Eternal dragon, it could now grant two wishes instead of one). They first wish for all of Cell's victims to be revived. But, Goku did not come back. It would take a whole wish to revive him. But, they heard him from snake way. He said he wanted to stay at snake way. He told everyone that every time they were fighting somebody, like Cell or Frieza, they were always after Goku. He knew that the earth was much safer without him there, and that they could handle anything because of Gohan's new strength. They said goodbye to Goku, and remembered what they like the most about him, and then tried to decide what to do with their last wish.

### 178. ONE MORE WISH

Krillin uses the Z-fighters final wish to take the bomb out of Android 18, purely because that he has fallen in love with her. Gohan and the others descend from Kami's lookout, preparing to celebrate the newly restored peace, while Chi Chi tries to cope with the loss of her husband, Goku. Trunks says a final farewell to his parents and heads downstream through the mystical river of time. He then begins to concentrate on the serious tasks that await him upon arrival in the dreaded future that almost was. Meanwhile, Hercule begins to take all the undeserved glory for Cell's defeat, and it appears that only Gohan's family and friends know the actual truth, but Gohan doesn't seem at all bothered, he and the Ox-King are too busy sneaking away from Chi Chi. Along Snake Way, Goku and King Kai decide it's time for them to settle down and find a suitable place to live, so King Kai begins constructing their new home.

### 179. FREE THE FUTURE

Trunks returns to the destroyed future to confront the two menacing androids. Once there he learns they are still destroying the unprotected towns and cities. Knowing he can defeat the ruthless pair after travelling through time and raising his power level significantly, Trunks sets off and arrives without a moment to spare. He quickly distracts Android 17, disabling him from destroying an old man whose son was another victim of the merciless machines. The androids appear confident, but Trunks quickly puts them in their place, and gains vengeance for his master Gohan by giving Android 18 a taste of her own medicine. Android 17 begins to realize his fate will soon reach the same outcome, and he too is destroyed. Trunks knows that despite the androids death, the threat is not over, there is another, Cell. Sure enough, Cell reveals himself and plans to take control of Trunks' time machine, but the young Super Saiyan is not about to stand by and let it happen. Trunks promises he will not let Goku down, and true to his word he annihilates every last cell of Cell. Meanwhile, up in the other world, Goku and King Kai prepare to take a trip to the Grand Kai's planet.

### 207. VEGETA ATTACKS

Vegeta continues his fight against Pui Pui, and much to the surprise of the Supreme Kai, Vegeta is stronger in every way. Babidi tries desperately to give his fighter the advantage. By using his magic Babidi changes the landscape of his ship to Pui Pui's home planet, and there is ten times the amount of gravity there than on Earth. But still Pui Pui's efforts are proved useless as Vegeta makes quick work of him. Now the Z-fighters move on to level 2 to face the energy eating demon, Yakon.

### 208. NEXT UP, GOKU

Goku transforms into a Super Saiyan and overwhelms Yakon with excessive energy. He blows up and the fighters proceed to Stage Three, where Babidi's best fighter awaits them.

### 209. BATTLE SUPREME

Hercule suggests a Battle Royal to decide on the tournament winner. 18 knocks out Jewel, and Mighty Mask floors Killah, then Mighty Mask and 18 go at it in a matter of ten seconds, while Hercule watches as he learns that defeating either of the two would be an impossible task.

### 210. EIGHTEEN UNMASKS

When Mighty Mask transforms into a Super Saiyan, 18 learns that he is really Trunks and Goten in disguise. She throws an energy disc that breaks the two apart. Trunks and Goten are disqualified for being underage, and for fighting together.

### 211. PAY TO WIN

18 makes a deal with Hercule. She lets him win, but in exchange he must give her the prize money and an additional 10 million zeni.

### 212. HEART OF A VILLAN

Dabura exits the concentration room, then goes to fight Gohan. During the fight, he realizes that Vegeta can be made to serve Babidi. Since Vegeta had much evil locked away in his heart from his dark past of being a ruthless Saiyan. Babidi uses this against him, and after a brief struggle Vegeta gets turned to Majin Vegeta.

### 213. THE DARK PRINCE RETURNS

Vegeta is now Majin, and Babidi transports them to the tournament. Hercule takes it as a challenge, but backs off. Vegeta destroys half of the stadium, then challenges Goku. Goku accepts.

### 214. VEGETA'S PRIDE

Vegeta is fuelled with his new power. He mocks Goku, and claims he wants to fight him once and for all. When Goku refuses, Vegeta blasts at the crowd with a Ki Blast. Thousands of people are killed, leaving more energy for Majin Buu. Goku then realized that Vegeta will have to be stopped, and he tells Babidi to move the Z- Team somewhere uninhibited, so no one will be hurt. But, the Supreme Kai disagrees, and stands in front of Goku, trying to stop the fight. Goku only realizes that more people will be hurt by Majin Vegeta until he gets what he wants, so he begins to fire a Ki Blast at the Supreme Kai. The Supreme Kai steps to the side, and lets Vegeta and Goku do as they wish. Babidi moves them to the desert, and then, the Supreme Kai gets another idea. There is to be no stopping Majin Buu's birth, unless they leave for stage 4 now, so now, while Majin Vegeta and Goku fight, the Supreme Kai and Gohan will go on to stop Majin Buu, or, awake him before he is at full power. However, Babidi and Dabura need him at full power, so they open Stage 3 up, so the team can go even further into the ship.

### 215. THE LONG AWAITED FIGHT

Vegeta and Goku fight in a battle to determine who is the stronger. Vegeta, who is now pumped up as Majin, now matches Goku in power

### 216. MAGIC BALL OF BUU

The energy Goku lost in the fight is enough to bring Majin Buu back to life. Babidi transports the egg, himself, Dabura, Supreme Kai, and Gohan to the outside. Vegeta teaches Goku about humiliation. Gohan makes attempts to stop the egg from hatching.

## MAJIN BUU SAGA

### 217. BUU IS HATCHED!

Gohan's attempts to stop Buu from hatching are in vain. The egg hatches, much to Babidi's delight. However, the egg contained nothing! Only a pink blob of smoke! Babidi started crying at the mistake. Supreme Kai is once again confident, but the pink smoke in the air forms into a body. The smoke clears and Buu appears! He lands, and starts waddling around like an idiot. Supreme Kai tells Gohan that Buu is supposed to be this way. Buu stops, then just stands still and taps his foot impatiently, obviously waiting for his master, Bibidi. (Buu was locked up before Bibidi was destroyed, so Buu does not know of his master's death.)

### 218. THE LOSSES BEGIN

Babidi threatens to lock up Buu if he doesn't obey him, so Buu joins Babidi. Babidi orders Gohan and Supreme Kai killed. Gohan tries to escape, but in vain. Buu knocks out Dabura, then gives chase. He knocks Gohan to the ground, leaving Supreme Kai vulnerable to Buu's assault. Vegeta knocks out Goku, and eats a Senzu Bean. He then goes to fight Buu.

### 219. THE TERROR OF MR. BUU

The Supreme Kai takes on Majin Buu, but his mental techniques seem to have little to no effect on the pink Demon. Buu playfully enjoys himself by beating the tar out of the Supreme Kai.

### 220. MEAL TIME

Majin Buu continues to wind up Dabura, and every attack Dabura uses is proven useless against him. Buu finish playing around, and to satisfy his hunger he turns the king of demons, Dabura, into a cookie and devours him. Due to Dabura's death Krillin and Piccolo are turned from stone back to normal. Soon afterwards Vegeta arrives and destroys Babidi's ship. Frustrated, Babidi orders Majin Buu to kill Vegeta, but Vegeta will not go down without a fight.

### 221. THE WARRIOR'S DECISION

### 222. FINAL ATONEMENT

For the sake of his son and other loved ones, Vegeta chooses to sacrifice himself by using Final Flash to try to kill Buu. Trunks and Goten try to stop from doing so, and for their own good get knocked unconscious. Vegeta unleashes his full power, killing himself, and vanishing in an aura of light.

### 223. EVIL LIVES ON

After Vegeta blew himself up and Buu, Piccolo checks out the battlefield while Krillin flies off with Goten and Trunks. Piccolo returns only to find a huge crater and Babidi alive, or at least what was left of him. Piccolo is just about to finish what he started when he notices some pink globs moving into each other and is shocked to find out they merge into one, regenerating Buu again! Vegeta killed himself in vain.

### 224. FIND THE DRAGON BALLS

Bulma, Yamcha, Master Roshi, Chi Chi and Videl try to get the last dragon ball, but a dinosaur eats it. Yamcha blows the dinosaur into the water. Thanks to the quick thinking of Master Roshi they finally get the dragon ball.

### 225. REVIVAL

Goku explains the art of fusion. They decide to teach it to Goten and Trunks. Bulma calls the dragon, and wishes for everyone that was killed by Vegeta to be revived. Goku sends the dragon away.

### 226. GLOBAL ANNOUNCEMENT

Kibito (who was revived by the Dragon) finds the Supreme Kai and Gohan. Goku delivers the news of Vegeta's and Gohan's deaths to everyone. Babidi gives a warning that if the three people that attacked him (Piccolo, Goten and Trunks) and Buu don't show in five days they will destroy the Earth. Then Buu turns a whole city to candy as proof of their power.

### 227. LEARN TO FUSE

Babidi says that if Goten, Trunks, and Piccolo are not found, then in five days the earth will be destroyed. The World Martial Arts Tournament Owner goes to Babidi with the names of the people, but Babidi kills him. Piccolo wants to give himself in.

### 228. THE Z SWORD

Babidi is still looking for Ma Junior (Piccolo), Goten, and Trunks. While in the Other World Gohan is training with the Supreme Kai and Kibito. He does something not even the Supreme Kai could do and pulls the legendary Z Sword from its resting place on the Supreme Kai's planet.

### **229. RACE TO CAPSULE CORP**

Goku starts to teach Goten and Trunks fusion, but as Babidi and Buu are about to blow up West City, and the dragon radar, Goku goes to distract them while Trunks goes to get the radar.

### **230. SUPER SAIYAN 3?!**

Goku tries to buy West City more time by giving Buu and Babidi a demonstration of what a Super Saiyan is. He powers down, then shows Buu a Super Saiyan. Buu is impressed. He then turns it up to an Ascended Super Saiyan. Buu is really interested now, but Babidi simply wants to get it over with. Back at the lookout, everyone thinks Goku is crazy if he thinks there is level past the "Ascended Saiyan". As expected Goku's limitations are exceeded and proves them wrong. He transforms into a Super Saiyan 3. Babidi and Buu are shocked. Goku then demonstrates his newly awakened power by attacking Buu.

### **231. BUU'S MUTINY**

The battle between Super Saiyan 3 Goku and Buu rages on. Trunks gets the radar, and then hurries back to the lookout. Goku eventually runs out of energy and is forced to stop the battle, he tells Buu he has way too much power to be controlled by a coward like Babidi. Buu is once again ordered around by Babidi, but this time he has had enough, he takes Goku's advice and kills Babidi. Now that he is out of the way, will Buu continue down the destructive path Babidi has set for him.

### **232. THE FUSION DANCE**

Goku, who used up all but thirty minutes of his earth time by fighting Buu, gets back to the lookout to teach Goten and Trunks the fusion dance. Although it looks silly the results are an unimaginable gain of power.

### **233. GOKU'S TIME IS UP**

Buu builds a house out of people whom he changed to clay. Goku goes Super Saiyan 3 one last time to show Goten and Trunks that they too can reach this stage. He uses up the rest of his time on earth and the boys are left under a rigorous amount of training to perfect the fusion dance but with Piccolo as their instructor you can be sure they won't rest until they get it right.

The super fighter introduces himself as Gotenks. Piccolo wants to wait another thirty minutes for them to unfuse, so that they can fuse as Super Saiyans. But Gotenks is confident that he can beat Buu. He flies off to try, but is beaten badly.

### **237. UNLIKELY FRIENDSHIP**

Buu threatens to kill Hercule, but makes him his servant. Old Kai finishes the first stage of bringing out Gohan's powers.

### **238. I KILL NO MORE**

Buu heals a hurt puppy that he found and becomes his new friend. Buu proclaims that he won't kill ever again after he found out from Hercule that killing is wrong. But then two snipers come and shoot the puppy. Can Majin Buu keep his word?

## FUSION SAGA

### 239. THE EVIL OF MEN

Majin Buu swells up with anger after finding out his puppy has been shot, but Hercule takes out the injured dog's attackers, and Buu calms down. Seeking revenge, Van Zant shoots Hercule and a horrible conflict starts raging inside Majin Buu after he finds his only friend wounded. In a giant puff of steam the evil within Buu is released. After assuming physical form the Buu within Buu kills Van Zant.

### 240. BUU AGAINST BUU

Buu Fights the evil Buu to see who will win, but in the end, the good Buu shoots out a ray to turn the evil Buu into a cookie, but the evil Buu blew it back in his face and the good Buu turned into a cookie instead. The evil Buu eats the good Buu and gains his power to become a new Buu. Afterwards, he wants a good challenge and remembers being promised that he would have a good fight with Goten and Trunks, so he decides to pay them an early unexpected visit.

### 241. EMPTY PLANET

The new Majin Buu charges towards the lookout, demanding Piccolo to produce Gotenks. Piccolo refuses, claiming that the promise was for two days, not one. He suggests Majin Buu could amuse himself by hunting down the remaining survivors while waiting for this fight. Majin Buu quickly rules out this possibility by unleashing millions of Ki blasts, that destroy almost everyone on Earth. Piccolo tells Majin Buu that Gotenks can be ready within the hour, after Buu agrees, Goten and Trunks are rushed into the hyperbolic time chamber for final desperate training.

### 242. TIME STRUGGLE

Buu becomes increasingly impatient, while Videl questions Piccolo's knowledge of Hercule's and Buu's friendship. Chi Chi aggravates Buu, causing him to turn her into an egg and crush her. Only half an hour passes before Majin Buu decides he will wait no longer, and Piccolo is forced to take the petrifying, pink monster, to the unprepared Gotenks. Piccolo takes the long way round to buy the young super Saiyans as much time as they can get.

### 243. SUPER MOVES OF GOTENKS

Gotenks and Buu begin their rematch, and Gotenks demonstrates some new, bizarre techniques, none of them work, and Gotenks is forced to fight more seriously. After turning Super Saiyan, Gotenks powers up for his best technique, the super ghost kamikaze attack, he spits out what appears to be a small ghost like version of himself, but Majin Buu is not worried in the slightest.

### 244. TRAPPED IN FOREVER

Gotenks succeeds with his attack, or so it seems, after blasting Buu to microscopic pieces, it appears the monster has been destroyed, but no, there is still enough of him left to regenerate. Gotenks acts as if he has no power left so he can make his next move a surprise, but Piccolo blows up the door to the Hyperbolic Time Chamber, trapping himself, Gotenks, and Majin Buu inside forever.

### 245. FEEDING FRENZY

Buu is unable to accept the fact he is trapped forever and will never have candy again, so he screams with enough power to rip a dimensional hole, leaving Earth's best hope trapped inside, after escaping to the lookout, Majin Buu then turns all of Goku's friends into chocolate, and gobbles them up. While trapped inside the Hyperbolic Time Chamber, Gotenks reveals his best trick yet, Super Saiyan 3! And as Majin Buu did before, Gotenks creates a tear in the dimension and returns to an empty, destroyed lookout.

### 246. GOTENKS IS AWESOME

Gotenks resumes his fight against the pink demon, but as a Super Saiyan 3. And yet again he displays a wide variety of bizarre and childish techniques, such as the "splitting headache", a powerful blast that can slice through anything. Buu then notices that Piccolo is concerned with the lookout, so he forms into a sphere shape, and destroys every last piece of it. Gotenks then powers up for his newest technique, the Spiking Buu Ball Slam. After pulling it off, it appears that the destructive Majin has met his demise, but the victory is short lived, as Buu reveals he is far from finished.

### 247. UNLUCKY BREAK

Gotenks fights Buu, and gets too cocky for his own good. He then starts pummeling Buu, bringing his power down. Just as he is about to finish Buu off, his Super Saiyan 3 power wears off, and every one of his attacks are now useless against Buu. Gotenks refuses to accept defeat, but his fusion time expires, and Goten and Trunks are forced to retreat. Back at the Supreme Kai planet, Gohan finishes his hidden ability training, and rushes to Earth to help the others.

### 248. A WHOLE NEW GOHAN

Goten and Trunks desperately try to buy time for their next fusion, but Majin Buu falls asleep, making their job a whole lot easier. Piccolo then senses a radically strong power descending towards them, at first it looks like Goku, but as he gets closer Piccolo realizes who it is, Gohan. Gohan begins pummeling Buu with a series of powerful attacks. It seems the tables have turned on Buu yet again.

## **249. SEARCH FOR SURVIVORS**

Buu reveals that his fight with Gotenks was a warm up match, as he could sense Gohan's powers growing in a far off place, he then self-destructs, but he isn't dead, during the time Buu is gone, Gohan and the others search for the remaining survivors on Earth. Dende, Hercule and Bee are all discovered, and Dende tells Piccolo of how Popo threw him off the lookout so that the Dragon balls could still be used to revive everyone, because without Dende, the balls would turn to stone, but the reunion doesn't last long as Buu returns, only one hour later. He then delivers a puzzling request, he wants a rematch with Gotenks, but it seems he has a plan, as the skin on his back begins to move.

## **250. MAJIN BUU TRANSFORMS**

Majin Buu absorbs Gotenks and Piccolo. He then transforms into a larger and more powerful form, and Gohan's confidence is slowly chipped away, as Buu taunts him by telling him how disappointed his absorbed friends are. Gohan tries with all his might to overpower Buu with a bone crushing first round, but with the strength of Gotenks, and the mind of Piccolo, he is unstoppable.

## **251. THE OLD KAI'S WEAPON**

Gohan continues his struggling battle against Buu, but after Buu unleashes his stolen new techniques against the powered up Saiyan, it seems that Gohan may not come through for Earth after all. Meanwhile on the Supreme Kai's planet, the elder kai reveals a plan to help Gohan defeat the universal giant of evil. He gives up his life so that Goku can return to the physical plain and fight, but even that may not be enough, the second phase of the old man's plan, Potara earrings, these enable fusion to take place, when one earring is placed upon someone's left ear, and the other placed upon another's right, their bodies merge together to create an even more powerful force.

## **252. READY TO FUSE?**

Goku watches helplessly from the Other World as Super Buu continues to beat on Gohan. Suddenly, Tien makes a surprise appearance. However, Buu realizes that Tien is a great deal weaker than Gohan and things don't look particularly brilliant. Meanwhile on the Planet of the Kais, Goku receives the Potara Earrings which will allow him and Gohan to fuse... permanently. With this new strategy, Goku races back to Earth to help his son.

## **253. UNION OF RIVALS**

After Super Buu absorbs Gohan the pink demon becomes even stronger. Goku's plan to fuse with his son is ruined. But an unexpected ally arrives... Vegeta. After some persuasion, the proud Saiyan prince agrees to fuse with Goku. When the fusion is complete, Vegito is born.

## **254. MEET VEGITO**

Vegito starts the fight over confident and begins testing his new abilities, and where Majin Buu was totally in control of the fight before, he can scarcely land a punch against his new challenger. Testing every aspect of his new body, Vegito warms himself up, without breaking a sweat. Vegito then raises the stakes by turning Super Saiyan, and the battle begins, Super Buu vs. Super Vegito.

## **255. RIP IN THE UNIVERSE**

Buu simply can't beat Super Saiyan Vegito, so he digs deep into his well of power and tries to blow a hole through the universe. This would cause all life to end, as the universe would collapse. Vegito tries to beat Buu senseless so he can't complete the attack, but Buu has a shield. Vegito keeps trying, and finally breaks through and nails Buu, stopping the attack. He then taunts Buu, telling him to use his ability on him.

## **256. VEGITO...DOWNSIZED**

Buu's every attempt to defeat Vegito, is completely useless, and Vegito no longer sees Buu as a challenge. Majin Buu hatches a plan, he uses Gotenks' Super Ghost Kamikaze attack, Gohan's Kamehameha wave, and Masenko all at the same time, but thanks to Goku's handy instant transmission technique, Vegito has not a scratch on him. Realizing he can't defeat Vegito, Buu says he thinks Vegito can't defeat him, that he is bluffing, once Vegito is close enough, Buu uses his favourite technique, and he turns Vegito into a coffee flavoured gobstopper. It seems that the Earth's last hope is gone.

## **257. THE INCREDIBLE FIGHTING CANDY**

Though in candy form, Vegito is still unstoppable, and it seems that Buu's attack has given his opponent the advantage and not him. Swelling with anger, Majin Buu has no choice but to turn Vegito back to his natural form. Vegito decides to end the fight, but a surprise absorption attack from the enraged Buu saves him from certain destruction. Buu laughs in victory and awaits his body to transform once again.

### **258. THE INNARDS OF BUU**

When Vegito is absorbed by Majin Buu, the fused Saiyan separates into Goku and Vegeta once again. Deep within the inner workings of the villain, they reveal their plan to rescue Gohan and the others. But can the duo survive the slimy perils of the digestive process and carry out their mission?

### **259. MIND TRAP**

Goku and Vegeta enter the mind of Majin Buu and go their separate ways, they come across their fallen friends, or what they think are their friends. It soon becomes apparent that these warriors are though forms made by Buu, and it also seems they cannot be stopped, that is until Buu's thoughts shift to cakes. Meanwhile Dende and Hercule Goku and Vegeta then come across the real Z-fighters, sealed in pods, and that's not all they find, they also spot the original Buu, sealed in a pod like the rest. But how will they rescue their friends and escape Buu before he notices.

### **260. DEADLY VISION**

Buu realises that Goku and Vegeta have not been added to his power, and are causing him some internal trouble. While in Buu's head, Goku and Vegeta find their lost friends and family, and free them from the pods in which they were sealed. Buu isn't about to take this sitting down, he appears inside his own head, ready to battle the two warriors, but without the fusion Goku and Vegeta are powerless to stop Buu, after a tiring battle Vegeta is knocked unconscious and is approached by Buu's goo, Goku desperately tries to save Vegeta, but it seems the Saiyan prince will soon suffer the same fate as his son.

## KIDD BUU SAGA

### 261. EVIL KID BUU!

Goku fights Majin Buu and begins to lose. Buu is about to kill Goku when Vegeta awakens and rips down the good Buu from inside of the Super Buu. Super Buu's body violently changes once again. As Goku and Vegeta escape with Gohan, Piccolo, Trunks, and Goten. They escape as Buu transforms into a smaller form of his original, evil self.

### 262. END OF EARTH

Kid Buu has been resurrected and his first act of evil is to destroy the majestic blue planet, Earth, wasting no time he quickly accumulates the energy needed to wipe the planet from existence. However at the last second Goku escapes with the aid of "Instant Transmission", rescuing Vegeta, Dende and Mr. Satan. Reluctantly, Goku is forced to depart without his sons. Contemplating the loss, Goku and Vegeta renew battle plans against the pink rubber demon of destruction Majin Buu, while something begins to stir among the Earth's rubble.

### 263. TRUE SAIYANS FIGHT ALONE

In the rubble of the destroyed Earth, Kid Buu reforms and goes seeking high energy levels which must be the two Saiyans. He eventually finds his way to Grand Kai's planet and kicks around Krillin, Yamcha, Olibu, and Pikkon. Kibitokai offers Goku his Potara Earrings so they can fuse again, but Goku refuses, saying true Saiyans fight alone. Before anyone can object, Vegeta smashes another earring. The two power up and just as Kid Buu was going to blow up Grand Kai's world, he teleports to Supreme Kai's to fight the Saiyans.

### 264. BATTLE FOR THE UNIVERSE BEGINS

Goku starts out the fight with Kid Buu as a regular Super Saiyan and they begin obliterating the landscape. Dende, Old Kai, and Kibitokai teleport to another planet to watch the fight through the crystal ball, accidentally leaving behind Hercule, who jumped off a cliff believing he was dreaming, and Bee who went looking for him. Goku and Kid Buu bounce around for a while and then Goku powers up to Super Saiyan 3.

### 265. VEGETA'S RESPECT

Goku fights with Kid Buu as a Super Saiyan 3 and is doing quite well, though it raises the question how he plans to kill a putty-like baddie. Vegeta watches the fight with admiration and begins a flashback to his entire history with Goku, beginning in the Saiyan Saga and going all the way up to the point where Vegeta blew himself up to defeat Buu. Down in Hell, Frieza and the other villains are watching and Babidi takes the credit for Buu being so strong, though he secretly wishes for Buu to lose. Goku realizes at the end of the fight that he doesn't have the energy to beat Buu and he'll need Vegeta to run interference while he builds it up.

### 266. MINUTE OF DESPERATION

While Goku gathers energy for an attack he hopes will defeat Majin Buu once and for all, Vegeta fights and gets slapped around like nobody's business. He gets knocked down time and time again, but keeps getting up and re-entering the battle. Buu is eventually quite scared at how well Vegeta is fighting, but gets the Saiyan into a head lock and begins squeezing, bringing him closer and closer to death while all Goku can do is watch.

### 267. OLD BUU EMERGES

Just as Vegeta's head is about to pop off, Kid Buu gets kicked aside. Hercule has joined in and is trying to defeat the "wimpy" Kid Buu. Every time Kid Buu goes to hit Hercule, he misses or holds back. Old Buu is still inside him and he can't hurt his friend. Finally Kid Buu gets mad and spits out the Old Buu onto the ground, where he lies unconscious. With nothing to stop him and Hercule knocked aside he goes after Goku again, but Vegeta rejoins the fight until Old Buu gets up.

### 268. EARTH REBORN

Vegeta calls for Old Kai, Dende and Kibito Kai, and asks them to go to the new planet Namek to summon Porunga. Once there they meet Elder Mori, who has already gathered the Namekian Dragon balls. They wish for the Earth to come back and for everybody who was killed since the morning of the martial arts tournament to be brought back as well. Vegeta then informs Goku, of his master plan, the spirit bomb. Goku seems uncertain, but then again it may just be the universe's last hope.

### 269. CALL TO ACTION

Vegeta calls the people of Earth to try and get them to give energy and only the Z Fighters and friends thereof give energy. Characters such as Bora, Upa, Giran, Nam, Launch, Android 8 (Eighter), Snow, The Mummy, Spike, and others from Dragon Ball in this and the next episode. Very little energy is given and Old Buu can't hold out much longer against Kid Buu.

### 270. PEOPLE OF EARTH UNITE

When Vegeta is unable to get the people of Earth to give their energy, the team begins despairing. Old Buu gets knocked out and Vegeta is forced to return to the battle. Goku begins pleading with the people of Earth, but they refuse to listen. Only a few others give any energy. Finally, Hercule steps up and yells at the Earthlings to raise their hands and Majin Buu will be destroyed.

### **271. SPIRIT BOMB TRIUMPHANT**

Kid Buu whumps on Vegeta more and beats him into a pulp and then sits down on top of him, giving Goku the ultimatum that if he destroys Buu, he kills Vegeta. Old Buu jumps in and knocks Kid Buu back, then yells for Hercule to grab Vegeta and get him out of the way. He does and Goku throws the Spirit Bomb, but it's just not enough. Vegeta yells at Dende to wish Goku back to full strength and he goes Super Saiyan and kills Kid Buu with the Spirit Bomb.

### **272. CELEBRATIONS WITH MAJIN BUU**

After Kid Buu is killed, Goku, Vegeta, Hercule, Dende, and Good Buu all return to Earth. Six months later Goku and the others wish for the Earthling's memory of Majin Buu to be erased and he's free to go get into all sorts of shenanigans out in the city. He wins a fight and gets money for ice cream and then helps Bulma carry her grocery bags home. Majin Buu and Bulma thwart a jewellery store heist who are really the guys he "accidentally" beat up the first time. Saiyaman and Saiyagirl, his new sidekick/girlfriend, arrive just in time (too late). Later, Goku, Trunks, and Goten are in the hot tub and the boys fuse and attack Super Saiyan Goku in a playful fight. The tub breaks and the two are left standing in front of their friends naked and Goku laughs while Chichi runs after Gotenks to spank him just like in the good old days.

### **273. HE'S ALWAYS LATE**

Chi-Chi, Gohan, and Goten prepare to go to Bulma's house for a barbeque, but Goku is nowhere to be found. As Chi-Chi's anger rises, Goku is having troubles of his own. While waiting to witness the hatching of four dragon eggs, troubles arise casting him into the role of the egg protector. Goku must do his best to guard the fragile eggs not knowing that he will soon face another danger, an angry Chi-Chi!

### **274. GRANDDAUGHTER PAN**

Ten years have passed since the evil Majin Buu was destroyed, and the Earth is enjoying a time of peace! Gohan has become a scholar and is happily married to Videl. Trunks and Goten have become strong, young teenagers! Vegeta and Bulma have a new daughter named Bulla! And, oh yes! Goku's a grandfather!

### **275. BUU'S REINCARNATION**

Goku has Mr. Buu magically rig the drawings so he can fight Uub in the first round of the World Martial Arts Tournament. Uub, a ten year-old human boy, is the reborn, pure good, form of Kid Buu! But before Goku can fulfill his request Pan must first face off against Wild Tiger in her first match. See the irony? Only at the tender age of 4 she has already learned martial arts and the ability to fly! Watch out Goten and Trunks as there may be a new Super Saiyan! Although Pan's childish attitude is deceiving (Number One! Number One! Yay!) she wallops the oversized competitor to the ground with ease and with more than I could bear cartoonish graphics (the chin of Wild Tiger's shooting sparks off as he slides across the match floor and the peeling off a wall like a flatten pancake! Just because this is the second to last episode doesn't mean we don't deserve quality!). Goku finally faces Uub. After Goku realizes Uub is very nervous he decides to loosen him up by making him angry through the use of insults and calling his family names, something you don't want to do to a former Majin Buu!

### **276. GOKU'S NEXT JOURNEY**

Uub, growing stronger as the battle rages, is able to learn to fight during his match with Goku, soon becoming the Saiyan's equal! Neither warrior gives an inch in this fast paced, destructive battle. But before the match is decided, Goku makes a startling offer to Uub.
